KIDLEIDOSCOPE KIDS!

**Saturdays in September
10:00-10:45am**

For kids ages 3-6.

This program includes a story, activity, and a craft designed to introduce youngsters to the natural world of the Fells. We'll focus on a different, local animal each week. All children must be accompanied by an adult. Rain moves the program indoors.

Program meets weekly behind the Botume House Visitor Center.
